St. Genevieve is on the go ahead. The Home Light and Water Company are to install an ice machine at their plant which is intended to aid in supplying the local demand, for the coming and future seasons. The installation of the water mains for the water works was resumed Tuesday, a large force of men being put to work which will be rapidly pushed to completion.

Tuesday night it rained forty rains in one. It lightened enough to see through a brain storm and enough damage was done to last a season. More rain fell than at any other time since 1892. The creeks were over their banks. Two spans of the trestle of the I. S. over the North Gabouille gave way and endangered the structure. At White Sand part of a Frisco trestle was carried away. Wednesday brought with it additional misfortunes. A wreck occurred at 76 and between here and Little Rock a Frisco engine and tender went over the embankment, owing to the flood. All trains were delayed several hours.

In the Circuit Court of Ste. Genevieve, State of Missouri, to April term A. D. 1907.
Lizzie Anderson, Defendant.
It appearing from the affidavit filed herein that the defendant's place of abode or whereabouts is unknown and that she has absented herself from her usual place of abode in the State of Missouri and has concealed herself that the ordinary process of law cannot be served upon her; on motion it is ordered that said defendant be notified that a civil action has been commenced against her, the object of said action being to obtain a decree of divorce from the bonds of matrimony existing between the parties hereto, up to the ground that defendant has absented herself from plaintiff without a reasonable cause, for the space of one year before the filing of this petition, and wholly refused to live with said plaintiff; and unless she appears at the term of this court, to be begun and held at the city of Ste. Genevieve, on the fourth Monday of April next, and on or before the second day thereof, to answer the plaintiff's petition the same will be taken against her as confessed.
And it is further ordered that a copy hereof be published according to law in the "Fair Play," a newspaper published and printed in the City of Ste. Genevieve, Mo., for seven days, to-wit: the 7th day of March, 1907.

A liquid cold relief with a laxative principle which drives out the cold through a copious action of the bowels, and a healing principle which soothes the throat and stops the cough—that is Kennedy's Laxative Cough Syrup. Safe and sure in its action; pleasant to take; and conform to National Pure Food and Drug Law. Contains no opiates. Sold by R. W. Leaning.

Hunting for Trouble.
"I've lived in California 20 years & am still hunting for trouble in the way of burns, sores, wounds, boils, cuts, sprains or a case of piles that Bucklen's Achesalve won't quickly cure," writes Charles Walters, of Alleghany, Sierra Co. No use hunting, Mr. Walters, it comes every case. Guaranteed at Leaning's drug store. Price 25 cents.

Rapid changes of temperature are hard on the toughest constitution.

The conductor passing from the heated inside of a trolley car to the icy temperature of the platform—the canvasser spending an hour or so in a heated building and then walking against a biting wind—know the difficulty of avoiding cold.

Scott's Emulsion strengthens the body so that it can better withstand the danger of cold from changes of temperature.

It will help you to avoid taking cold.
